

Right Living Lesson #10

*Daddy's Little Girl*  
God's View on Abuse

## Daddy's Little Girl

### ***DO YOU...***

- Think God has forgotten you.
- Feel you must stay in abuse.
- Think that you being abused is perhaps "God's will".
- Think the abuse is your fault.
- Think the Bible does not talk about the issues of abuse, therefore, we are not permitted to discuss it.
- Have you experienced a Pastor tell you that abuse is not grounds for divorce.
- Believe that your abuser is not healed because you have not prayed enough.
- Think that God wants you to remain abused because you are a Christian.
- Are you mad at God because your prayers have not been answered.
- View God as someone to fear, as in hell, fire and damnation.

**"For you have not received the spirit of bondage again to fear; but you have received the Spirit of adoption, whereby we cry, Abba, Father." (Romans 8:15)**
